

Shoe Box Scene Competition

For this half term homework we would like you to make a Shoe Box Scene to tie in with our celebration of World Book Day. We are asking the children to pick their favourite book, select their favourite scene from that book, then turn the inside of a shoe box into that scene. The winning shoe box from each year group will win a **£5 book voucher**.

For example, if a child likes Fantastic Mr Fox then they could make the foxes in the tree with their family, or Miss Honey's classroom complete with a lizard in a glass. See some examples below for ideas. Get creative!

Please send these into school on Thursday 7th March and not before. Children will be able to share their boxes with other children across the school. We have lots of fun activities planned for the day but we will NOT be asking the children to dress up.
