

4 June 2018

Dear parents/carers of year 5 and 6 children

Stem Learning, Lego Robotics Activity Day in school – Thursday 14 June 2018

Stem Learning is visiting the school on Thursday 14 June for Lego Robotic workshops for our Year 5 and 6 children.

The workshops will explore the areas of computing, design and technology, engineering and science. Working in small groups, the children will be designing and building basic robots, programming them to do simple tasks.

Packed Lunches. Please note that all children will require a packed lunch from home on that day.

Your child will attend one of four sessions taking place throughout the day

Session 1:	9.00am to 11.00am
Session 2:	11.15am to 12.30am
Lunch	12.30am to 1.15pm
Session 2: (cont)	1.15pm to 2.00pm
Session 3:	2.00pm to 4.00pm

As session 3 ends after school hours, we would appreciate if you could indicate if you are happy for your child to stay in school until 4.00pm on that day. If your child is in year 6 and normally walks home on their own, please ensure you advise their class teacher if it remains the case on this day. Please complete the attached consent form and return it to your class teacher by Friday 8 June to enable them to organise the groupings. You will be advised if your child is in session 3.

Thank you for your help in this matter.

Yours sincerely

Mrs Louise Fisk

STEM LEARNING, LEGO ROBOTICS ACTIVITY DAY
YEARS 5 AND 6
Thursday 14 June 2018

Please return to your class teacher by Friday 8 June 2018

Child's name

Class

Please tick as appropriate:

My child IS able to remain in school until 4pm

My child is NOT able to remain in school until 4pm
