

18 May 2018

Dear parents and carers

We are pleased to introduce our Daily Mile sponsored event for the summer term – Branfil Walks the World. The aim of this event is to encourage your child to run, jog or even skip a mile a day to help us reach our goal of completing one entire circuit of the earth: that is 24,902 miles in total! So far we have a combined distance of 10,002 miles since we returned after the Easter holiday.

The funds raised will be used to improve our provision for encouraging active play at breaktimes and to purchase additional sporting equipment for the school, improving the resources that children will have access to in PE lessons and extra-curricular activities.

We would like your child to complete as many laps as possible during their daily mile to help us achieve our school aim of walking the world. Each week we will update the children on how far we have travelled and where in the world we have reached with the hope that we can do an entire journey around the world, returning to England before the end of the year.

We hope that friends and relatives will sponsor your child to encourage them to complete as many laps as possible.

Please return the sponsor form and money by Monday 9th July 2018.

Please talk to your child's teacher, or see me on the playground after school, if you have any questions about the event.

Thank you in advance for your support – we hope that your child will have fun walking the world!

Yours sincerely

Mr Grant
