

25th September 2019

Dear Parents/Carers

MATHS WORKSHOPS – RECEPTION – YEAR 6

I would like to invite you to join us for our Maths Workshops to be held on Friday 4th October and Monday 7th October at 9.00am until 9.45 am for the whole school (Reception, Y1, 2, 3, 4, 5 and 6).

The workshops will take place in the classrooms and will be led by class teachers in the year group. Children will only take part in the workshops if their parents/carers are attending. Parents/carers will be able to choose which day they wish to attend as the workshops will be the same on each day.

The focus of the workshops for the reception children will be shape, problem solving, counting and number recognition. For Years 1 – 6 the focus will be calculations, problem solving and reasoning.

I hope you will find these workshops both interesting and informative.

Please return the slip below by Monday 30th September indicating **whether or not** you will be attending one of the workshops, so we can make sure we have enough resources for each workshop.

Yours sincerely

Miss L Bain
Maths Leader
