

23rd November 2020

Dear Parents/Carers,

Parent/Carer Workshops

Due to current restrictions, we are not able to invite you into school this year for our parent/carer workshops. We want to provide this information for you though, so we will do this **via our website, on the Curriculum tab.**

We have prepared an online presentation for you, explaining how we teach **spelling** at Branfil and how you can help at home. This can be found in English>Spelling.

In Year 4, there is a statutory **multiplication tables check** (MTC). The online presentation will give you some more information about how this works and ways in which you can support your child at home. This can be found towards the bottom of the Maths page.

There is also a **phonics** information presentation for Year 2; this can be found in English>phonics. There will be more information about phonics coming soon for our Year 1 and Reception parents and carers.

Further presentations will be available through the year when relevant e.g. Year 2 SATs, Year 6 SATs.

If you have any questions relating to the presentations, please contact your class teacher via their year group email.

Yours sincerely,

Mrs Goodman
Year 4 teacher & Year Leader
