- Daily work
  - Check in - Every morning a check in form will be posted to the class stream. Please fill this in with your child.
  - Phonics – will be assigned daily. Please click on the relevant link and work through the video. Then photograph and submit the work that your child does.
  - Challenge activity - There will be a daily challenge posted on the classroom stream.
  - A song/videos to watch – please continue to watch these as often as you like.
- Weekly activity pack – this will be posted in the classwork section and can be done as and when you wish to throughout the week. You can use it as a basis for other ideas and activities if you wish.

We understand that everyone's home situation is different and that they may or may not be able to complete all of the activities. Our daily expectation is that they check in, attend the two live sessions and completing their online phonics sessions. Thank you.
