

It's  time  I went back to  school

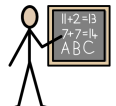

My  school  is now  open. This is  good. I can now  go back to

 school. Some things  will be the  same and other things will be

 different. This is to keep  everyone safe. This is  good.

I will  learn with my  friends in my  classroom. My  teacher will

 teach me  and help  me to  learn. This is  good. My  classroom

will  look  different. My  teacher will put out  different  toys to

play

with each day. This is to help keep the

toys

clean. This is

OK.

OK.

all of

my learning

in my classroom

or outdoors. I won't

be able to use the

library,

music room

or art room

for now. I can

learn

and

change

books

in my classroom

instead. This is

OK.

When

I am

in school

I will have to stay with my

class

and keep

2 metres away

from everyone

else when I can. I will have to

wash my hands

lots. This is to

help

keep

everyone safe. This is

good.

My teacher

will

show me

which

toilets

I should

use. This is

OK.

I will be

told

what

time

to

arrive

at

school

and

what

entrance

to use. This may be

different

than the

time

I normally

go into

school.

This is

Ok.

I will be

told

what

gate

to use to

arrive

at and

leave school.

This may be

different

than the

gate

I

am used to.

This is

OK.

I will

eat

my

lunch

in the

hall

and have some

time

to

play

outside

too. I will also have some

time

to

learn

outside.

This is

good.

I will do

fun

activities

at

school

and I will

enjoy

being with

my friends. Everyone will do their best to stay safe. This is

good.

Sometimes

I may

feel excited

to go to

school.

Sometimes

I may

feel nervous

or worried.

This is

OK.

The adults

in school

will help to keep

me

safe and help

me.

This is good.
