

It's  time  I went back to  school

 My  school is now  open. This is  good. I can now  go back to

 school. Some things  will be the  same and other things will be

 different. This is to keep  everyone safe. This is  good.

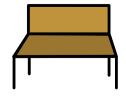

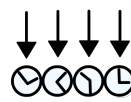

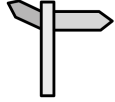

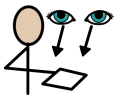

I will  learn with my  friends in my  classroom. My  teacher will

 teach  me and help  me to  learn. This is  good. My  classroom

will  look  different. All of the  tables will be in  rows facing the

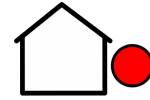

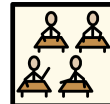

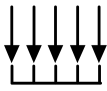

front. This is to help keep everyone safe. This is OK. My teacher

will show me where to sit. I will always sit at this seat.

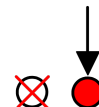

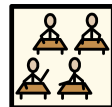

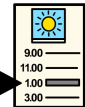

This is good.

I will do all of my learning in my classroom or outdoors. I won't

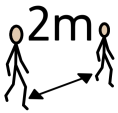

be able to use the library, music room or art room for now. I can

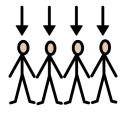

learn and change books in my classroom instead. This is OK.

When I am in school I will have to stay with my class and keep

2 metres away

from everyone

else when I can. I will have to

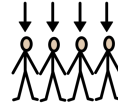

wash my hands

lots. This is to

help

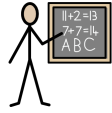

keep

everyone safe. This is

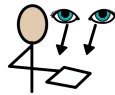

good.

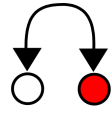

My teacher

will

show me

which

toilets

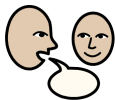

I should

use. This is

OK.

I will be

told

what

time

to

arrive

at

school

and

what

entrance

to use. This may be

different

than the

time

I normally

go into

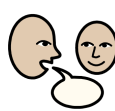

school.

This is

Ok.

I will be

told

what

gate

to use to

arrive

at and

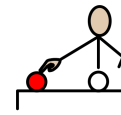

leave school.

This may be

different

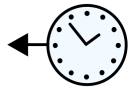

that

the

gate

I am

used to.

This is

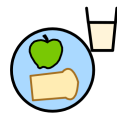

OK.

I will

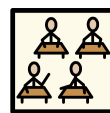

eat

my

lunch

in my

classroom

and have some

time

to play

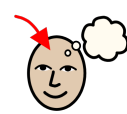

outside

too. I will also have some

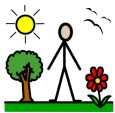

time

to

learn

outside.

This is

good.

I will do

fun

activities

at

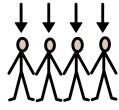

school

and I will

enjoy

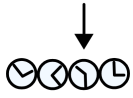

being with

my friends. Everyone will do their best to stay safe. This is

good.

Sometimes

I may

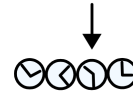

feel excited

to go to

school.

Sometimes

I may

feel nervous

or worried.

This is

OK.

The adults

in school

will help to keep

me

safe and help

me.

This is good.
