

12<sup>th</sup> February 2021

Dear parents/carers,

As we reach the end of the first half term of 2021, I wanted to write to you and say...a BIG Thank you!

Thank you for your support and patience and thank you to those of you who have taken the time to feedback on what we are doing well and things we could improve on. We are all working out of our comfort zones and we would all prefer school to be back to normal so the supportive feedback goes a long way!

I also want to thank your children, they have made myself, Miss Philpot and Mrs Daly very proud. They have worked extremely hard and have completed a range of work daily, attended live sessions and become experts on Google Classroom. They have tried hard to remain positive, enthusiastic, and smiley – we have loved seeing those happy faces on the screens!

We are in the middle of a pandemic and for me the most important thing is that you and the children are safe, loved and cared for. Everyone's circumstances are different, and we do appreciate that!

So, on that note I wish you all a happy and safe half term and look forward to starting the next phase of our journey together on Monday 22nd February.

Kind regards,

Miss Bain
