

Dear parents/carers of Year 6 pupils,

19<sup>th</sup> June 2020

### **Mini Market**

Each year it is tradition for children in year 6 to host a mini market at school for the children in all other year groups in order to raise money for the school. This year we will be unable to run this event in the normal way however the year 6 team would like to put an alternative plan in place. This involves all year 6 children creating a game or activity which they can run at home either virtually, or at a safe distance, for their family and friends. Normally children at school would pay to take part in these games/activities so please ask family and friends who take part to make a small donation.

In light of current events, we have decided that all money raised will be donated to the NHS and we have set up a Just Giving page which parents and family members can use to make their donations (pay for taking part in their child's game or activity).

<https://www.justgiving.com/fundraising/BranfilYear6MiniMarket>

Examples of games/activities children could create/run are:

- Guess what's in the box
- Raffle of homemade goods
- Penalty Shootout
- Obstacle course

If your child is finding it difficult to think of an appropriate game or activity, please contact the year 6 team for some more ideas: [year6@branfil.havering.sch.uk](mailto:year6@branfil.havering.sch.uk)

Please take photos of your child's activity and send them to us so we can feature them on the school's website and Twitter account.

Yours sincerely

The Year 6 Team
