

26th June 2023

Dear parents and carers

Change to timings of the school day

The Government has communicated the expectation that all state-funded mainstream schools should deliver a school week of at least 32.5 hours by September 2023. We therefore have to make changes to our start and finish times, starting on Wednesday 6th September 2023, when the children return after the summer holiday. The new timings will be as follows:

	Reception	Years 1-3	Years 4-6
Start of school	8.45am	8.45am	8.45am
End of school	3.10pm	3.15pm	3.20pm

The children can still come into their classrooms ten minutes prior to the start of the school day (from 8.35am) and settle to a daily challenge or task.

Our procedures for coming in and out of school at the start and end of the day will remain the same.

Thank you for your support with this change, which is outside of our control.

Yours sincerely,

Mrs N Sansom
Headteacher
